Fall Retreats

The teen retreat was filled with tons of new and fun adventures as well as many beloved past-times. Although it got chilly, we still were able to make the most of the weekend. One of the new and fun adventures for me was getting to direct with Thomas as a newly engaged couple. We also had a new speaker, John Kinlaw, from NC, who clearly presented the Word of God to the teens. We were blessed to have Noah Curtis, of Murfreesboro, leading the worship time. We experimented with a paint war in the sports field, as well as an evening treasure hunt. We also enjoyed a coffeehouse followed by Apples to Apples. We played games that were “oldies but goodies” such as Dodgeball and Never Have I Ever. The traditional pumpkin carving was back, and we had some of our best pumpkins yet! A great time was had by all!

The 2012 junior fall retreat at Horton Haven took place November 9-11. Ethan and I (Katherine Willis) were fortunate enough to direct this weekend retreat. The weather was perfect and warm, and around sixty campers registered for the retreat. The weekend chapels were lead by speaker,

Steve Decker who used every opportunity to share the gospel of Jesus Christ.

Over the weekend, Ethan and I decided to focus on bringing back some of the traditional games and activities we participated in as young campers. Some of the weekend activities included team games such as dodgeball and kickball competitions. We also allowed our campers to get a little messy with activities like the sundae relay and a “flour war.” Finally on Saturday night, we ended the weekend with a good old-fashioned hayride, s’mores, and watching a Christmas movie. Overall, our primary focus was to provide a positive and engaging atmosphere where the campers could relax, have fun, and most importantly learn more about Jesus Christ. 🏠

Farewell to Kelton Meyer

After 28 plus years of service, Kelton will be leaving Horton Haven the end of 2012. Kelton has served here as the Facilities Director and will be moving on to pursue other areas of service.

Every building here at Horton Haven has some aspect of Kelton's handiwork. Every piece of equipment has been worked on 'many times' by Kelton. The result of having so much 'old' machinery.

He was always willing to drop what he was doing to help you with a need. He came to the rescue many times in 'urgent situations' with busted water pipes, broken well pumps, kitchen fridge or freezers not cooling, ovens

not working (in the middle of summer camp), large (but harmless) snakes too close to camp population, and the list goes on.

Kelton was honored at the annual appreciation dinner in November. He will be missed around here, but we still have his phone number on speed dial! So if you too find yourself in an 'urgent situation' give Kelton a call. He has started a "One Man Fix-Handy-man Services".

Pray for Kelton and his wife Sharon as they begin a new phase of their lives. 🌲

A Busy Fall

The resident staff have been busy this fall. Since the end of summer camp we have hosted 23 rental groups, 1 wedding, 3 HHCC sponsored retreats and 2 Christmas events. In addition to that a new roof was put on the Maple Cottage, chair rail has been put up in the Greystone Chapel, there is new screen all around the dining hall porch, and we repaired and painted the blue room. There is ongoing leaf removal as well as the cutting, splitting and stacking of firewood. The shop has been cleaned and organized and we are currently doing a deep cleaning of the Fernwood Lodge including shampooing the carpets and having the draperies dry-cleaned.

We have also been busy preparing for summer 2013. Speakers and directors are in place, software updates and changes have been made and online registration was turned on mid December. Brochures are back from the printer and will be mailed the first of the year.

The first five months of 2013 will keep us busy with continued summer camp preparations, registrations, Core Staff selection, several recruiting trips, 2 camps fairs, the CCCA sectional, 20 rental groups scheduled as well as 4 HHCC sponsored events and another wedding!

So if you every think it's quiet around here after summer camp, think again. 🌲
